## ROBERTA KEYS TORN SERVICE & LEADERSHIP AWARD

This award honors the FamilyPoint student that best exemplifies the heart of a servant and possesses exceptional leadership qualities. The award was inspired by the life of Roberta Keys Torn, a remarkable servant leader who always, “tried to live out God’s purpose for her life” through serving others. Award recipients receive ...

Over a decade ago we began serving our community through the belief that every child is worthy of love. We saw opportunities giving children a sense of success and surrounding them with caring adults. These opportunities to play sports, create art, and receive help with homework began to change lives. Children were making friends, trying harder in school, and believing in themselves and their power to make change. Some days we were unsure, unprepared, and uncertain how the dream in our hearts would become reality. Fortunately, God always provides the right people, resources, and hope to guide us. As we step into tomorrow we celebrate our children becoming adults, we welcome new children, and we joyfully discover how to continue to meet needs in our community.

**DOMONIK HUNTER** 2018 Recipient, Junior at YesPrep Northbrook

Dominik is a young man of great character. His sense of humor and ability to laugh at himself keeps him humble and kind. He is eager to learn and always willing to do what it takes to get the job done. The majority of his volunteer work at FamilyPoint has been cleaning the building, maintaining the fields, and making repairs. It is hard work that often goes unnoticed, but this never stops him from showing up. He leads his brothers and others by example gently guiding them in the direction of following God and serving others.

# together Volunteers

make things possible

Volunteers are essential to everything we do at FamilyPoint. We believe lives are changed through relationships. For some children the volunteers are their first friend and the person who listens, encourages, and offers a new perspective. Our camps, practices, homework help, after school clubs, data entry, and more are possible because of our volunteers. They help each child and adult, feel loved, valued, and welcomed. Our volunteers enrich our programs, our lives, and our community.

### **Christine Gentil**

2018 VOY Recipient, Volunteer since 2013

*Christine is a mother in our community who genuinely gives her whole self to supporting and encouraging others. Over the years she has helped with homework, coordinating special events, girls breakfast club, and coaching with FPR Speed.*

### **VOLUNTEER OF THE YEAR AWARD**

This award recognizes the volunteer who leaves a legacy in our community. It is someone who dedicates their time and talents to giving back in ways that create new opportunities that support others and build engaging leaders.

## **Javier Paredes** *Senior at SHS*

**2008** playing soccer for the very first time on the Storm and again in **2017** coaching soccer for the very first time

## **Latrell Gillett** *Senior at SHS*

**2008** playing basketball for the very first time on the Hornets and again in **2014** volunteering at sports camp

We began our programs by playing sports together. We expanded this passion into Health & Fitness Programs in 2012 to incorporate nutrition, counseling, and opportunities to be active on a daily basis. These programs teach essential character skills, determination, healthy habits, and teamwork.

When we play well together, we all win. Over the years our participants have grown up into strong leaders who reach their goals and give back to others.

## **FPR SPEED**

Our team consisted of 174 athletes this season from 19 different schools in the Memorial/Spring Branch Area. Congratulations to all 21 of our Family Point State and National Champion student-athletes who competed in the 2018 National Junior Olympic Outdoor Track and Field Championship in Des Moines, Iowa. At the end of July the top 6 track and field athletes in their respective events from all 50 states competed for a chance to become an All-American. A total of 10,040 athletes competed in the 2018 National Junior Olympic Championship. Sarah Akpan, Divine Ozomma, and Shannon Robbins ranked in the top ten in the nation.

Family Point Resources is officially the home of the fastest kids in Texas.

learning

# Arts & Education

opens up a new world

Academic support and exploring a variety of arts is essential for children to learn to express their ideas, appreciate others, and see themselves in new ways. Everyday after school children from kindergarten through twelfth grade gather to play, receive healthy snacks, attend extra-curricular clubs, access computers and books, and get help with school work. We believe everyone has something to give and it is important to take time to listen and learn.

*Triston White, 3rd grader at MWE*

# experiencing NPC Library

creates friendship & opportunities

Our library is a safe place where children can express themselves and know they are accepted. During this time together children are able to create lasting friendships and find consistent support. They learn coping and communication skills which allow them to overcome challenges and develop healthy habits and a positive self image. This is also a place where parents come to register their children in sports, volunteer, and connect with new friends. Sharing time and space allow us to grow and learn together so we can innovatively shape and positively change our community and world.

## In 2017-2018

hosted **5** Monthly Family Potlucks

raised over **\$1,100** at FPR's Christmas Store donated to recovery efforts in Puerto Rico

redistributed **\$70,000** from the Greater Houston Community Foundation for rental and grocery assistance to neighbors affected by Hurricane Harvey.

**Eagle Scout & Gold Award Projects** provided us with a Theatre Camp, Art Room sink & cabinets, a community garden, and shade.

**St. Thomas & Trees for Houston** provided bushes and fruit trees.

In 2007, we rented about 500 sq ft in the Outreach Center of West Houston. After Blue Willow Bookshop's 'Build the Library Campaign,' a huge remodel in 2011, and repairs in 2017, we currently rent over 1,500 sq ft.

Over the years we have worked with neighbors and churches to develop the inside and outside space into something beautiful which offers hope and a place of belonging in our wonderfully diverse community.

*Thank you to everyone who volunteered and donated resources to help us rebuild our library after it was damaged by the rains of Hurricane Harvey.*

FamilyPoint Resources is committed to engaging our community in relationships that meet needs, build hope, and transform lives. We focus on serving the Stratford HS Feeder pattern by providing enriching opportunities and supporting our participants through high school and college. We strive to engage the whole family and community to create opportunities in which children & youth flourish.

There are families in our community lacking necessary resources and we need your help building bridges of resources, opportunities and relationships.
