FAMILYPOINT RESOURCES

FAMILYPOINT RESOURCES ENGAGES OUR COMMUNITY IN SUPPORTIVE RELATIONSHIPS THAT MEET NEEDS, BUILD HOPE, AND TRANSFORM LIVES.

We accomplish our mission by creating accessible, enriching opportunities that engage children in education, the arts, and sports to develop a love of learning, a sense of self efficacy, and life skills necessary to flourish.

“From first coming to FamilyPoint and getting to meet all the wonderful people to ending up volunteering at FamilyPoint there have been enough memories to last me a lifetime. But most of my memories have been made during the summer camps and clubs. Participating and volunteering in all of them made FamilyPoint feel like a second home to me. FPR has changed me to see the better in people and made me see the good in myself. Plus just getting to help the little kids see FamilyPoint the way I see it has been a very important moment for me.” - Anissa Pier

● Meeting Needs ●

Every child is purposefully and uniquely created for this world. They are also handed a set of circumstances outside of their control which shape them. Toxic stresses caused by economic insecurities, broken relationships, language barriers, and hunger can negatively impact a child’s mental, physical, and social development. 4 out of every 10 children that live within 5 miles of FPR are considered economically disadvantaged.

● Building Hope ●

When a child has access to enriching opportunities and consistent supportive relationships with caring adults and peers, the negative impacts of toxic stress decline and make room for hope. FPR identifies and works with the community to remove obstacles standing between a child and an opportunity. Our programs are designed to empower and equip children and families to flourish.

● Transforming Lives ●

Through FPR, children from 5 to 18 years old are receiving homework help, access to extra curriculars and sports, career readiness, and supportive relationships- transforming their lives and their futures. Our programs allow us to welcome each child, exactly as they are, and walk with them developmentally through challenging circumstances to new opportunities, shaping them into flourishing adults who break cycles of poverty, build healthy relationships, create abundant communities, and positively shape their world.

FPR VOLUNTEER OF THE YEAR AWARD

This award recognizes the volunteer who leaves a legacy in our community. It is someone who dedicates their time and talents to giving back in ways that create new opportunities, support others, and build engaging leaders.

JACOB MOYER, the 2022 Volunteer of the Year Recipient, is a man who embodies generosity. He began in FPR programs playing sports as a participant, then as a high school junior began volunteering as a basketball coach. Throughout high school, college, and now as a young professional he continually shows up as a coach, as a mentor, and as a leader. He makes it possible for boys in our community to be a part of a team, learn skills, and grow into young men of character. FPR has changed Jacob’s life, and he is giving back to change the lives of others.

ROBERTA KEYS TORN SERVICE & LEADERSHIP AWARD

This award honors the FamilyPoint participant that best exemplifies the heart of a servant and possesses exceptional leadership qualities. The award was inspired by the life of Roberta Keys Torn, a remarkable servant leader who always, “tried to live out God’s purpose for her life” through serving others. Award recipients receive the opportunity to attend Camp Ozark, National Student Leadership Conference, and an SAT Prep Course.

CITLALI VEGA, this year’s Roberta Keys Torn Service & Leadership Recipient, is a Junior at Stratford High School. She is a driven young woman who consistently shows up with a positive attitude. On top of juggling classes and extra-curriculars, she volunteered 91 hours at FPR in 2021-2022. Her heart for God emboldens her to share wisdom, patience, and time with others, teaching them that they are loved.

In 2007, we started with one baseball team. We were pretty bad at baseball that year, but great at being a team. Then, we served 14 participants. Now

- 26 Soccer Participants
- 10 Baseball/Softball Participants
- 70 Basketball Participants
- 40 FPR Premier Basketball Participants
- All FPR Premier Girls & Boys tried out and made their middle or high school teams

In 2022, we remembered our ideas from years ago. We reflected on all the volunteers, donors, and new staff who joined us to make these ideas become a reality. We packed up our Seniors and hugged them goodbye as they left for college. We opened our arms to welcome new, younger participants. Since 2019, FamilyPoint has awarded \$147,000 for university, college, or trade school scholarships to 31 deserving participants. In 2021, we hired 2 FPR Alumni to join as full time staff. We served 647 participants with the help of 242 volunteers.

In 2008, we started Homework Help at Meadow Wood ES with 20 students in 4th-5th grade. Now

- 73 Students (K -12) a day received homework help
- 5th Graders received tutorials at the Enrichery

Celebrating 15 Years

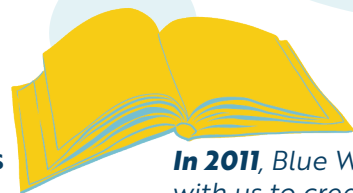

15 years ago a group of neighbors looked around this community and gathered to ask questions. They listened to stories of challenges and took note of needs. They continued to show up in ways that radiated generosity and hope. Their actions built the foundation of FPR's response to create opportunities, not otherwise available, as avenues to empower and equip children to succeed.

FPR FOUNDERS & SUSTAINERS
Brandon & Lee Anna Lackey, Dave & Cindy Sloan, Jason & Jessica Roberts
Brett & Kim Moyer, Glen & Michelle Shepard, Todd & Rhonda Overbergen
Andrew & Meredith Hall, Carson & Hillary Shultz, Larry & Sue Maple

In 2010, we expanded our Summer Camps to include sports, reading, and creative arts for elementary students. Now

- 327 Summer Participants (PreK - 12)
- 40 Summer Enrichment Camps
- 1,200 Meals served
- 500+ Hours of Enrichment

In 2011, Blue Willow Bookshop partnered with us to create a library. A year later we remodeled our space to accommodate our growing programs and began offering art after school. Now

- 100 students attend daily
- 6,000+ books, computers & games
- Healthy snacks & meals provided

In 2018, FPR celebrated our first college graduates. Chick-fil-A Dairy Ashford nominated us for the True Inspiration Award and with the most community votes in our region we won. That \$75,000 grant allowed us to create the FPR Scholarship Fund and we provided 4 scholarships. Now

- 11 Scholarship Awarded
- 14 FPR Participants received a scholarship to play sports in college
- 3 FPR Alumni participated in the FPR Internship Program
- 17 Juniors + 14 Seniors participated in College & Career Readiness

In 2016, FPR After School expanded to offer sewing, Bible Study, and ESL. Now

- 17 Enrichment Clubs
- Added Coding, Chess, Gaming, Life Skills, Spanish, Anime, & Gardening
- 13 Entrepreneurs at Thornwood ES & 21 Entrepreneurs at Meadow Wood ran a monthly school store (5th Grade)

In 2015, FPR Speed was created and participants began running cross country & track. We started with 11 participants. Now

- 171 FPR Speed Participants
- #1 Ranked Club in Texas
- #12 Ranked Club Nationally
- 26 All-American (Top 8) Athletes at AAU Club Nationals
- 10 year old girls 4x200 held Nation's fastest time in December

The Ozark For All Foundation has provided scholarships every summer for children to attend Camp Ozark & OTX, a week long Christian camp. We took 21 participants in 2008. Now

- 122 FPR Campers
- 8 FPR High Schoolers attended as volunteer Counselors in Training & 4 graduates were paid counselors

"I love family point because I can make new friends and learn new things"

Alessandra Ortiz

FPR Supporters

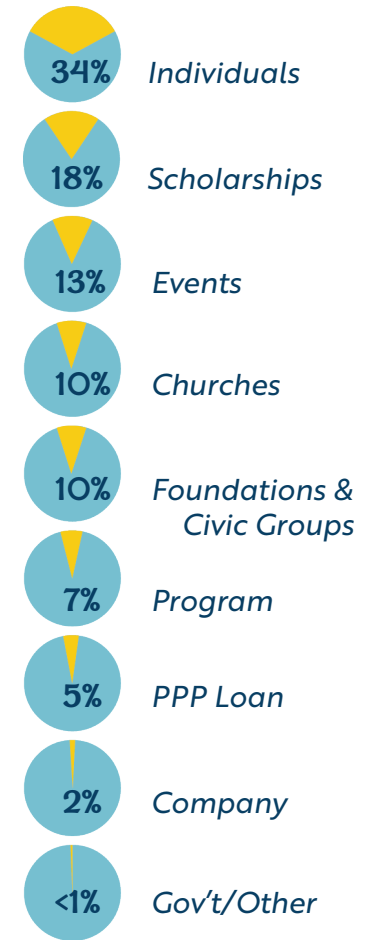

FamilyPoint is a reality because God led people to this community and called them to love their neighbors. Every person contributes to FPR uniquely and every contribution has tremendous impact on the lives of children and youth in our community.
