## RESOURCES

EST. 2007

4 out of every 10 children within five miles of FPR are considered socioeconomically disadvantaged. This reality begins to define a child's circumstances and the challenges they must overcome.

FPR provides the enriching opportunities and supportive relationships that allow children to reach their full potential and flourish.

By meeting needs and building hope FPR is transforming lives and breaking cycles of poverty, providing children with the skills and resources necessary to flourish.

**FPR VOLUNTEER OF THE YEAR 2023**

*Kristina Early* connected with us through NCL in 2015 and has since combined her gardening wisdom with volunteering. She worked to make our garden an Urban Harvest affiliate garden and is tirelessly planting, pruning, and harvesting. She makes fresh food samples for participants to try, exposing them to healthy farm to table foods and growing their palette of possibility. Kristina is starting new traditions in our community that create new opportunities, encourage others, and build healthy habits.

**ROBERTA KEYS TORN SERVICE & LEADERSHIP AWARD RECIPIENT**

*Selma Elsayed* has been volunteering since the 8th grade, dedicating many summer weeks to helping at FPR camps. She leads with gentle wisdom, bringing out the beauty and talent of each child. This award honors the FPR participant that best exemplifies the heart of a servant and possesses exceptional leadership qualities. It is inspired by the life of Roberta Keys Torn, a remarkable servant leader who always, "tried to live out God's purpose for her life" through serving others.
